#### Mrs. Martin's Message

We had a wonderful Open House yesterday! Ten new families enjoyed our morning together. Many of the families are very interested in our 3K, 4K, and 5K programs, and a few parents pursuing their interest in grades 4 and 5!. Thank you, Cornerstone Chorale for a wonderful performance!

Thanks you, Amy Smith, Kirsten Garwood, and our hospitality committee for providing yummy food and help with this event!

# SCS Happenings

The SCS Choir, Cornerstone Chorale, did an excellent job singing at the Prospective Parent Open House on Wednesday, January 13.

## I Have a Dream...by Joel Montgomery

I have a dream that one day all people will see that Jesus Christ is our Lord and that the only way to heaven is Him. From the shores of California to the top of Mt. Everest, let the word ring out, Jesus is Lord. When the rapture comes, I would like to see everyone shouting "Hallelujah!" and floating on up to heaven. I have a dream that every boy, girl, man and woman will know about the love of Jesus Christ and that every Christian on this earth would donate money to missionaries to help the multitudes come to Christ; I have a dream. I want people in Africa and around the world to have a smile on their faces because they know that Jesus Christ is in them and is watching over them; I have a dream.

**Benjamin Franklin is Coming  
January 29, 2010  
2:30 p.m. in the Amphitheater**

Mobile Ed Productions presents Benjamin Franklin, an amazing inventor, author, printer, politician and founding father who enlightens young and old alike.

The presentation is a one-man production using incredible props, a beautiful set, music, stories, interaction, authentic costuming, and the character of Ben Franklin. The presenter's amazing likeness of this great American helps students immediately identify the character. From the moment he walks on stage the audience feels they are in the presence of living history.

Students will have fun participating in "old time" typesetting as they hear of Ben's early years as an apprentice in his brother's print shop. They will also hear both familiar and unfamiliar quotes from *Poor Richard's Almanac*. Of course, the famous kite and key experiment will be relived by using a Van de Graff generator to the amazement and amusement of the students.

Benjamin Franklin will stir the patriotism of students and faculty as he closes the program with the moving account of his involvement in the birth of our nation.

## S.C.S. Prays and Helps

As most of you know, the island country of Haiti was rocked Tuesday by a 7.0 earthquake. However, with every great disaster, there is a great opportunity to share the love of Christ. There are many missionaries laboring in Haiti. Two of the missionary families supported by Scofield Memorial Church live in Port-Au-Prince. They are the Days and the Weavers. The Days have a close connection with our school. Their children were enrolled in S.C.S. while they were in the States.

In an effort to help as a school family, we will be collecting donations to help these missionaries reach their broken community. We will take monetary donations. Please make checks payable to CrossWorld in an envelope marked "Haiti Relief Effort". We thank God for the generous and giving hearts of the precious families here at Scofield.
