

Spanish Newsletter

November 2009

Dear Parents,

The children did great on bringing in items in Spanish they found around the house - they were definitely creative. They found food labels, bags, Spanish/English books, menus... all sorts of things! You are welcome to stop by and take a look. No more pesos will be given at this time for the items.

This past month we have finished studying classroom objects, studied body parts, and have begun to study the names of animals in Spanish in 1st-6th grade classes. After we finish studying animals, we will begin learning how state personal conditions. The Kindergarten classes have been studying animals. When they finish animals, they will learn the parts of the body.

Our verse for the month is from Romans 12:2. We will practice it in class, but the children need to spend time on it at home if they want to memorize it for the five extra pesos. It is the following:

"No se amolden al mundo actual, sino sean transformados mediante la renovación de su mente. Así podrán comprobar cuál es la voluntad de Dios, buena, agradable y perfecta." Romanos 12:2

A big thank you to those who have been sending in items for the store and the movie day in December. We can still use more donations - pencils, erasers, stickers, individually wrapped candies, and small toys. The K-3rd grade classes will have a class store at which they can buy things with their pesos. The 4th-6th grade classes will have a movie day. They will use their pesos to get into the movie as well as buy food and drinks there. Thank you for any and all contributions!

Have a truly blessed Thanksgiving!

Liza Templin
